SCIDpda Mission: Seattle Chinatown International District Preservation and Development Authority (SCIDpda), a 50-year-old community development organization, serves one of the city's most diverse neighborhoods. Its mission is to preserve, promote, and develop the Chinatown International District (CID) as a vibrant community and unique ethnic neighborhood. SCIDpda has been recognized locally and nationally for its innovation in three program areas: property operations, real estate development, and community economic development and engagement. SCIDpda currently has 50 culturally competent staff, many of whom speak a language other than English, which enables them to interact with our community. Our staff have a deep love for the Chinatown International District and understand the importance of our organization in serving the district.

General Nature & Scope: The Resident Services Coordinator (RSC) will report to and work closely with the Resident Services Manager (RSM). The RSC will also work with Community Initiatives staff to support SCIDpda's neighborhood-wide activities. Most of the RSC's time will be spent working with the housing team to ensure the needs of SCIDpda residents are being served. Position activities and goals are dependent on resident and community needs and feedback. The role ensures that our properties are a platform to meet our mission and values through community building, behavioral health supports, and meeting basic needs.

Essential Duties:

1. Behavioral Health & Property Management Supports

- Collaborate with and maintain connection to external and community-based organizations and service providers to coordinate care for mutual clients.
- Intervene in crises as appropriate and maintain and reflect on boundaries.
- Surface understanding for residents around the importance of stable housing and what the implications are for them and their surrounding community when they do not respect the terms of their lease.
- Provide information and referral services to residents as needed.
- Provide education and support for residents to ensure success as leaseholders.
- In collaboration with residents, develop and track the progress of their housing stability plan as needed. Regularly review and modify participating resident's housing stability plan to address housing retention barriers, and report progress and effort to appropriate property management staff.
- Assist residents with unit inspection preparation as necessary (i.e. pest control and/or hoarding behaviors).
- Assist residents to access support and resources to promote housing stability.
- Facilitate understanding and bridge connection between building managers and residents when there is a need.

- Document resident interactions in an accurate and timely manner.
- Advocate for residents' access to community resources and services, ensuring that residents' needs are met and rights maintained; consult and collaborate with external community providers to ensure continuity of care.

2. Community/Neighborhood-wide Initiatives

- Support outreach and engagement efforts to residents in conjunction with CI Staff
- Elevate resident livability issues (ex. transportation, education, walkability) to CI staff and work with staff to troubleshoot solutions
- Elevate resident livability issues and community-specific contextual struggles and barriers to our external service providers and community-based organizations.

3. Community Building, SCIDpda Resident Engagement, Basic Needs Coordination

- Facilitate engagement of residents through creative, resourceful strategies that build trust and confidence.
- Assist Resident Services Manager to plan and implement community building events and activities at all SCIDpda buildings
- Assist in the creation, distribution, and completion of the Annual Residents Survey
- Assist housing team in understanding and responding to the needs of families with Seattle Public School students living in SCIDpda buildings
